Dear Comrades of CJC & Comunista de Catalunya
Warm Regards from Palestine

On behalf of the Palestinian People`s Party Youth – YPPP express our solidarity with the comrades Isma and Dani, the member of CJC-Joventut Comunista de Catalunya and the AEP-Associació d`Estudiants Progressistes, who were arrested by Catalan Police and taken to the police station on Thursday 29th March, 2012, while they struggle for the common good of the Catalonians and the Spanish people.

The YPPP condemn these arrests which are against the freedom of expression, peaceful protest, and democracy at all.

YPPP demand the immediate release of the detainees and we hope such events should not be repeated.

The Catalan Authorities should respect everyone's right to demonstrate peacefully in accordance with the law, and freedom of expression, as we call for widest solidarity with the Catalan students.

Comradely yours,
Palestinian People`s Party Youth - YPPP
