Banja Luka, 4th Aprila

Dear comrades,

Youth of League of Communists of Bosnia and Herzegovina expresses solidarity with arrested comrades Isma and Dani during the General Strike in Barcelona.

We will introduce the youth of Bosnia and Herzegovina to the correctness of your actions with the hope that together we will be fighting to create a humane society. Youth of the League of Communists of Bosnia and Herzegovina support you to resist the oppression of the capitalist apparatus and continue to resolutely fight for your goals!

With comradely greetings,

The Executive Committee  
Youth of League of Communists Bosnia and Herzegovina
